

1

The Embassy Cinema was opened in 1937 and closed in 1982.

Do you recall any films you saw at the 'flicks'?

How did you feel before and after the film?

2

Watermeadow and the White Owl café in Church Street. Did you visit the café at all or any others in Chesham? Do you go to any café's today?

What sounds, taste and smells can you recall ?

What is it like on a rainy day inside a cafe?

3

In the 1960's Britain was the largest market in the world for the Italian Vespa scooters. Vespa means Wasp! Can you guess how it got its name?

Do you recall seeing one or riding an any push bike, motorbike or scooter?

How did it sound and feel to be on a bike?

4

This is Janet and Ann Cottington in 1956 on the 'Witches Hat' in Lowdnes Park. Do you recall going on it? They are not allowed today as too dangerous! What do you think about that?

What do recall about your park trips?

If you look really carefully the old air raid shelter hump is in the background!

5

This was the revamped pool in 1964.

Do you recall any swims you have had?

Do you recall the smell or the feel of the water? Getting in or out?

Do you prefer swimming in the sea or a pool or do you hate being in the water?

6

Close your eyes and see if you can recall the sounds and smell of the steam train. The last one left Chesham in 1960 with a wreath on it! Can you remember and trips you took on the train? Work or leisure? How did it feel?

What other things can you recall about your leisure time? It would be lovely to share these memories.
